

# Mohican's *Wild Side*

(soft adventures)

*Let us help your group "stretch their legs" with a soft adventure while exploring Loudonville. From a canoe trip on the Mohican River, hiking, miniature golf, northern Ohio's only zip line and more. The soft adventure can be as leisurely or virigous as you want. We invite you to take a break to enjoy some of the best scenery in Ohio.*

## **Morning soft adventure options**

Depending on the interest of your group, mix and match the following. There are many options to please the interest and ability of your clients.

### **Tree Frog Canopy Tours**

Northern Ohio's only zip line. It is Ohio's longest, highest, fastest canopy tour! Enjoy over 4,000 foot of pure pleasure as riders trek through the tree tops suspended from a zip line. What an incredible opportunity for fun, and a unique, educational outdoor experience. The tour includes the zip line, sky bridges, and rappels plus loads of information about the Mohican Valley ecosystem throughout the tour. Tours last 2 ½ to 3 hours. Excursions leave in groups of 8 every half hour. Waiver must be signed by all participants; Minors need parental approval. A ground school before the tours acquainted guests with how to zip safely and get the most from your tour. (For ages 10+ and up, and 90-125 pounds.) **Plan 2 ½ to 3 hours**

**Tree Frog tours usually go rain or shine, so plan accordingly.**

### **Canoe the Mohican River**

Ohio is the officially designed **Canoe Capital of Ohio**. There are 4 canoe liveries within minutes of downtown, another 2 liveries just a little father away. Guests can choose from a canoe, kayak, raft or tube. Trips last from 45 minutes to 2-3 hours. Personal floatation devices are provided to all participants. The Mohican River is rated a Class 1 river, slow, usually gentle, with few rapids, so it is appropriate for most groups. Waivers must be signed by all participants; minors need parental approval. Depending on the trip, groups are transported upriver by school bus and float to the livery or float downriver and are bused back to the livery. Most liveries have a gift shops to buy waterproof containers, snacks and other items. List of liveries is available at [www.DiscoverMohican.com](http://www.DiscoverMohican.com) home page, click on River Report or contact the Mohican-Loudonville Visitors Bureau.

## AFTERNOON

### Lunch

#### Options:

Two of our most popular group-friendly restaurants would be happy to serve your group. As part of your lunch you may want to include a free program by the Mohican State Park Naturalist Lisa Durham at 419-994-5125 [Lisa.Durham@dnr.state.oh.us](mailto:Lisa.Durham@dnr.state.oh.us). There is a variety of programs to choose from. Lisa can conduct her program in Mohican State Park or can come to you and her program is **free**.

**Plan 1 to 1 1/2 hours for lunch**

#### **Stepping Stone Restaurant at Landoll's Mohican Castle**

A treasured local landmark nestled in hundreds of acres of trees, valleys, and wildlife. Yes Landoll's is a castle inspired by the fairy tale castles. The rustic restaurant offers an upscale menu with great desserts. After lunch tour some of the Castle's highly rated overnight guest suites. Ohio Magazine readers rated Landoll's as one the most unique places to stay in Ohio.

### ***Clearfork Gorge Overlook (optional)***

The erosion of glaciers carved the narrow Clearfork Gorge in Mohican State park. This gorge cut into sandstone exposing huge outcroppings and steep cliff walls. The Gorge is more than 1,000 feet wide and over 300 feet deep, deepest gorge in Ohio. The striking Clearfork Gorge with its towering hemlocks and virgin stands of white pine are of national significance. It has been designed a National Natural Landmark by the National Park Service.

***Don't forget your camera. 15 - 20 minute Free***
